St. Anthony's YOUTH MINISTRY Lenten Community Service

Members of the Youth Ministry are collecting and bagging supplies to be given to Midnight Run for distribution to the homeless.

As part of a Lenten sacrifice, we have asked the kids to donate hats, gloves, socks, razors, sample-size toiletries for this project.

Please help us make this a successful endeavor by joining us in collecting items of this type to help the less fortunate.

We will have several Bins near the Church Entrances at all Masses on the weekend of February 17-18.

You can also bring items to the Stations of the Cross and Pasta with the Pastor on 2/23. The Friday 1-3 members will bag the supplies at their meeting after the Pasta dinner.
